## CAREER OBJECTIVE

I am a dedicated computer science engineer seeking a career in a growing company. I enjoy tackling challenges and use my software development skills to create strong, scalable solutions. I am eager to contribute to innovative projects and collaborate with talented teams.

## EDUCATION

COURSE	INSTITUTION	BOARD/UNIVERSITY	YEAR	CGPA/PERCENTAGE
B. Tech(CSE)	KL University	KL University	2021-(still pursuing)	9.13
MPC	Vignan Junior College	State Board	2019-2021	90.4%
SSC	Bhashyam public school	State Board	2018-2019	9.7

## TECHNICAL SKILLS AND INTERESTS

**Languages:** Java, Python, HTML&CSS

**Web Dev Tools:** VScode, Pycharm, Github, AWS

**Frameworks:** Django, ReactJs

**Cloud/Databases:** Mysql

**Soft Skills:** Problem Solving, Self-learning

## PROJECTS

• **Automobile System(selling spare parts )** <https://maams.pythonanywhere.com/> DEC 2022

*Designed a Django framework-based web application enabling users to purchase spare parts.*

- Users can purchase spare parts through our web application.
- It is a user-friendly web application.
- It is a secure application because Django provides built-in authentication mechanisms to safeguard web applications.
- Technology Used: Python, Django, MySQL, HTML&CSS

• **E-commerce** MAY 2022

*Developed a React-based e-commerce web application allowing users to purchase clothes and watches.*

- Users can purchase clothes and watches through our web application.
- Developed a user-friendly e-commerce platform using React.js for the frontend, Node.js for the backend, and MongoDB Database for data storage.
- Technology Used: React.js, Node.js, Bootstrap, MongoDB

## INTERSHIPS

– **Juniper Networks Networking Virtual Internship** May - July 2023  
*AICTE-Eduskills* Online

The Juniper Networks Networking Virtual Internship offers a practical experience to delve into networking technologies. Participants gain valuable skills and insights into the field of network engineering.

## CERTIFICATIONS

– **AWS Certified Cloud Practitioner**

- \* Demonstrates a foundational understanding of AWS cloud services. Validates basic cloud knowledge and skills.

– **AWS Certified Developer - Associate**

- \* Basic knowledge in developing and maintaining applications on the AWS platform, validating essential cloud skills..

– **Java (Basic) - HackerRank Certified**

- \* Demonstrates a strong understanding of basic Java programming skills. Confirms essential knowledge and proficiency.

– **Certified in SQL (Basic) - HackerRank**

- \* Proficient in SQL query skills for effective database management, with demonstrated proficiency in fundamental SQL skills through HackerRank.
